

Declaration of Authenticity

A critical aspect of any assignment is *authenticity*. Because you are completing much of the work for the assignments *unsupervised*, the examiner must be convinced that it is all your own work. For this reason, you must complete the *Declaration of Authenticity* provided in the study guide and have it counter-signed by your manager, mentor, or lecturer.

	<p>The declaration of authenticity is a legal document, and if found that you have made a false declaration, then not only will your results be declared null and void, but you could also have criminal charges brought against you. It is not worth taking the risk!</p>
